## DEATHS

**Mrs. H. S. Jennings**

CHARLOTTE, N.C. - Vera Drinkard Jennings, formerly of Appomattox, died in Sharon Towers, Charlotte. Her husband was the late H. S. Jennings.

Born in Appomattox, she was a daughter of the late Thomas Austin Drinkard and Lucy Aanis Stone Drinkard.

She is survived by two daughters, Mrs. W. H. Walker and Mrs. Bruce Harrington, both of Charlotte; one brother, Thomas Alton Drinkard of Madison Heights and a sister-in-law, Alima Jennings of Lynchburg.

Funeral services were conducted Monday, January 30, 1978, at Harry and Bryant Co., Charlotte, N.C.

**Ardmore Desmon Butler**

Ardmore Desmon Butler of Louisa, age 71, passed away Thursday, January 26, 1978, in University of Virginia Hospital in Charlottesville.

Born April 15, 1906 in Burnsville, he was a son of the late George and Della Harouff Butler. A veteran of World War II, he was a member of Burnsville Methodist Church.

Surviving are his wife, Mrs. Marie H. Butler of Louisa; one daughter, Miss Patricia Jane Butler of Appomattox; and one sister, Mrs. Hazel Lockridge of Staunton.

Funeral services were held Monday, January 30th, at 2 p.m. in the Chapel of McLaughlin Funeral Home with Rev. H. Garland Sparks and Rev. Paul Staley conducting the service. Burial was in Burnsville Cemetery.

**Mrs. James W. McFadden**

GLADSTONE - Gladys McCormick McFadden, 74, of Gladstone, died early Monday morning at the residence of her daughter in Queenstown, Md. Her husband was the late James William McFadden.

Born in Appomattox County, she was a daughter of the late George Washington McCormick and Nannie Whitco McCormick. She was a member of Maple Grove Baptist Church.

She is survived by one son, Emmett Earl McFadden of Lynchburg; two daughters, Mrs. B. E. Slayter of Durham, N.C., and Mrs. James E. Jessup of Queenstown, 15 grandchildren and nine great grandchildren.

Funeral services will be conducted at 2 p.m. Thursday at Robinson Funeral Home with burial in the McFadden family cemetery, Gladstone.

Appomattox County High School Guidance Department workers shown in above photo are: seated, Mrs. Elaine Stubblefield; and standing, left to right, Linda Archer, Harriett James and Joyce Jamerson.

Appomattox Middle School Guidance Department workers shown in above photo are: seated, Roberta Womack; and standing, left to right, Bolling Carter and Vic Meadows.

## Title IV-C: Career Guidance Program

Federal funds under Title IV-C have been granted for a comprehensive career guidance program for students in grades seven through twelve in Appomattox County. During the past decade, career guidance for all high school students has been limited and long-range objectives have not been clearly defined. During this same period of time the need for effective career guidance has become critical. No longer can students be successful by following in the footsteps of their parents. Today's society is complex. There is an unprecedented need for students to develop self - understanding, become knowledgeable of careers, acquire decision making skills, become prepared to enter a chosen career and gain job entry and/or further education. To meet this need provides an opportunity and a challenge to the Appomattox School System to develop and implement an innovative program of career guidance.

One of the basic purposes of the school is to assist students to be prepared, upon graduation from high school, to enter the world of work or to continue formal education beyond high school. The responsibility goes beyond the minimum achievement of this goal to include helping students understand their abilities, talents and skills in relation to the educational and career opportunities which are available. This is a need of students which schools have neglected, to some degree, in the past. It is a need which this program will meet.

Activities, procedures, learning experiences and instruction will be planned to help students:

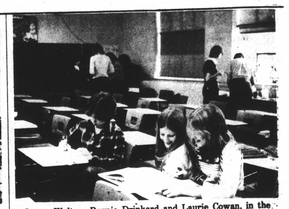
1. Develop a positive and realistic self-image
2. Understand and appreciate the world of work and leisure time activities
3. Become aware of career options.
4. Understand the process of career planning and decision making.
5. Gain knowledge of how to acquire the employability skills necessary to enter a particular occupation.
6. Gain educational and occupational placement.

The Career Guidance Program is being directed by Supt. Lloyd G. Walton and is incorporated into the former guidance department whose counselors included Mrs. Harriet James and Mrs. Joyce Jamerson with their secretary, Mrs. Elaine Stubblefield, at the high school and Mrs. Bolling Carter, counselor at the Middle School. Title IV-C funds, have provided for additional counselors, Mrs. Linda Archer at the high school, Mr. Vic Meadows at the Middle School and secretary, Mrs. Roberta Womack, at the Middle School.

Mary Hudson, and Gloria Ferguson are shown working with an electrolysis of water experiment for the AMS Science Fair. In the background, Renee Wells and Tina Reynolds are working on their human biology project.

## Appomattox Middle School To Hold Science Fair

On February 6, 1978, Appomattox Middle School will be having a Science Fair as part of the PTA program. Students have been putting in extra hours on independent study getting ready for the fair. Any Middle School student interested in entering a project can do so. But, many are participating as members of the Appomattox Middle School Science Club. The purpose of the Science Club and the Science Fair is to encourage scientific experimentation and use of scientific attitude and to offer public recognition of scientific talent. Such activities also give students experience in communicating ideas to others, identifying problems and finding solutions, becoming acquainted with resources thus better preparing them in selecting a career. Self-confidence and satisfaction from displaying work well done are developed and encouraged. The Appomattox Middle School Science Club is sponsored by Mrs. Susan Wilkerson and Mrs. Peggy Deyerle who teach seventh and eighth grade science at the Middle School.



Laura Walton, Bonnie Drinkard and Laurie Cowan, in the foreground, are finalizing research on a botany project for the AMS Science Fair. In the background, Gloria Ferguson, Mary Hudson, Renee Wells, Mrs. Deyerle, Tina Reynolds and Cheryl Cheatham are shown working toward the Science Fair.

## Retired Teachers To Meet February 28th.

The Retired Teachers luncheon, scheduled for February 7th., will be held at Maudes Restaurant at 12 noon on February 28th.

All members are urged to attend.

## VERA CHURCH OF GOD TO HAVE GOSPEL SING

The Vera Church of God, located six miles east of Appomattox on Route 24 in Vera, will have a special program of Gospel Music featuring "The Shifflett Family" of Elkton, Virginia.

The program will be held at the church on **Saturday, February 11** (originally set for February 4) at 7:30 p.m.

The family has one daughter, five years of age, who knows about 200 songs by heart. The husband is totally disabled and singing gospel music is their only means of support.

We believe this family will really be a blessing to you if you come out and support them. There will be no admission charge, however, a free will offering will be received for the family.

The ladies auxiliary of the church will be selling hot dogs, homemade pies, and drinks after the singing program to help raise money for the building fund. Everyone in invited to come out on February 11 at 7:30 p.m. and enjoy an evening of the best in Gospel Music.

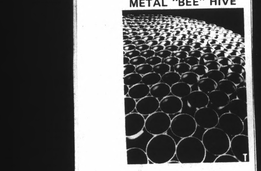
Triumphs of Science
METAL "BEE" HIVE



Don't expect to find a bee hiding in this hive. That "honeycomb" you're looking at is the product of man-made technology—metal cans. Some 83 billion of them were produced in the United States last year and at least that many will be used this year to package some 2500 different products. The sealant used to keep a tight lid on these cans is also a product of a highly-specialized technology. Scientists at W. R. Grace & Co., a major producer of specialty chemicals, develop new sealants for the insides of can lids and seams to keep the freshness and good taste under a tight lid.

## Raiders Win Second Time Around

By Tamara Nash

While most regular attenders of ACHS were at home enjoying the vacation resulting from the snow, the boys' varsity basketball team was busy practicing because they knew once the snow stopped, their basketball season started again. And so, on Wednesday night, January 25, the Raiders faced William Campbell for the second time this season.

Back in December, the Raiders were the visiting team and the victorious team, 61-51. This time, the William Campbell Generals scored 51 points again, and the Raiders beat them - again. The pace set in the first quarter pretty much set the pace for the entire game, the Raiders scoring 18, the Generals scoring 11, up with the fourth quarter. At the half, Appomattox led 32-23. Coming out of the locker rooms, the Raiders shot up a 50-37 lead and it looked like the Raiders' game. William Campbell scored twice as many points in the fourth quarter as did the Raiders, but it wasn't enough to surmount the Raider lead. The game ended Appomattox -57, William Campbell - 51.

High-scorer for Appomattox was Larry Kelson with 21 points. Co-captains Joe Fraley and Gerald Booker each scored 14 points, followed by Carl Watson with 6, and Arthur Haskins with 2. Shooting weakly from the foul line, the Raiders shot 5 for 12, 43%.

**MARIE FRALEY LEADS RAIDERETTES TO VICTORY**

By Donna Mitchell

After a long holiday because of snow and ice, the Appomattox Raiderettes met the William Campbell Generaletes in the ACHS gym.

The Raiderettes came out firing as they took the lead in the first quarter 18-14, behind the shooting of Marie Fraley. In the second quarter, the Raiderettes stayed a head of the Generaletes to take a four point halftime lead to the locker room, 27-23. The third quarter was all Appomattox behind some fabulous shooting to give the Raiderettes a 41-31 lead. The final score of the game was 56-47 in favor of the Raiderettes.

Appomattox was led by Marie Fraley with 25 points. Marlene Moore had 12, Annette Carter had 11, Susan Godsey 4, and Roxie Martin and Susan Handy had 2 each.

Beth Rookes led the Generalettes with 19 points followed by Fannie Hancock with 8, Barbara Allen with 6, Belinda Adams and Joni Woodell with 4, Vanessa Payne and Denise Payne with 2 and Tanya Harper and Joyce Pool with 1 each.

The Raiderettes, 2-6, travel to Jefferson Forest this Friday night at Forest. See ya there!

**RAIDERS BOW TO NELSON**

By Tamara Nash

The Appomattox County High School Boys' Varsity Basketball team will very probably never again play a game starting later than 9. After the J.V. game was delayed over an hour, the guys should have gone home, but they didn't - they stayed to face the consequences, 87-44 Nelson romp. The Raiders put it up, it just very rarely went in. But what Appomattox didn't make, the Governors did. Every quarter saw Nelson scoring 20 or more points. At the end of the first quarter, it was 21-5, and so went the game. At the half, 42-21. In the third, the Raiders went for 14, Nelson went for 20. The final score was 87-44.

Nelson had six players in double figures. Joe Fraley was the only Raider with 14 points. Larry Kelso had 9, followed by Carl Watson with 7. Gerald Booker and William Hamlett had 4 points each, Arthur Haskins and Mike Campbell had 1 bucket apiece, and Shane Abernathy and Tony Smith had 1 point each.

# SPORTS

BY BILLY CONNER

**JV RAIDERETTES**

The J.V. Raiderettes defeated William Campbell 23-22 in a make-up game played Saturday, Jan. 28. The Raiderettes got off to a good start and took an early lead. The score at halftime was 12-7. It was not until the 4th quarter that the Raiderettes fell into some difficulties. William Campbell moved ahead 22-19 with 1:56 remaining on the clock. However, the J.V. Raiderettes kept their cool and Terri Robinson closed the gap to within one point by sinking two crucial foul shots. The Raiderettes tied up the ball for a jump which set up the final play. With ten seconds remaining on the clock, Terri Robinson tapped the ball to Pam Guill who passed to Johnna Belter. Johnna went in for the lay-up which placed the Raiderettes ahead 23-22. Top scorer was Kim Hipps with 13 points, Johnna Belter had 6, and Terri Robinson had 4. The Raiderettes shot 42% from the foul line while William Campbell shot 25%. The J.V. Raiderettes are now 4-2.

**APPOMATTOX 62 NELSON 60**

After a 15-day layoff and an hour and twenty minute delay in starting the game, the Appomattox Jayvees played what was to be the most exciting game in years. Nelson County jumped out in front 10-4 but trailed 17-12 after the first quarter.

The Lt. Governors caught fire in the second period and led 29-26 at the half.

In the third period the Baby Raiders came roaring back and took the lead at 44-40 going into the fourth quarter. After a nip and tuck quarter, in which three Raiders fouled out, the two teams were tied at 58.

Nelson County scored first in the overtime before Darrell Schrock hit one of two free throws to bring the Raiders within one. Nelson's Harry Hamilton missed two foul shots with 14 seconds left and the Raider's William Scott was fouled getting the rebound. Scott made the first free throw to tie at 60. After a time out he missed his second shot but grabbed the rebound and put up the winning bucket with eight seconds left.

The Baby Raiders now are 5 and 3 and play host to Jefferson Forest today (Thursday) at 5 p.m.

**BROOKVILLE 51 APPOMATTOX 49**

The Appomattox Jayvees fell behind 11 - 4 in the first quarter and had to fight back the entire game only to lose in overtime to the Brookville Bees, 51-49. The Baby Raiders led briefly 47-45. Terry Woods had 22 points to lead the Raider scoring, followed by Ronnie Robinson and Darrell Schrock with 10 points each.

The Peak of Excellence
Wickes Buildings
The Low Cost of Protecting it Saves The High Cost of Replacing it.
When you add up all the money you have invested in the things you own that make life easier and more enjoyable, you're talking about some sizeable assets. That's why it pays to protect them—and preserve their value—in an attractive, weathertight Wickes utility building. These beautiful, maintenance-free structures give you all the room you need to safely store everything from cars and trucks to boats and motorhomes with plenty of space left over for the smaller stuff, plus a workshop or hobby area, too.
You can choose from many models and sizes, with color exteriors of steel or aluminum—equipped with sliding track doors, overhead doors, or both. Check out the low price of a Wickes utility building, garage or workshop today. It will pay for itself many times over.
